* COACHES - Please note the closure dates provided by each school. If for some reason your school is closed on a date not listed

please notify me at dina_mcmahon@telus.net so that the club doesn't pay for it.

- Please be reminded that there should be no food or drinks in the gyms other than water and please clean-up after your team is finished.
- No smoking is allowed in the facility or on the school grounds.
- There may be other dates that arise during the year that require the School Board to cancel our booking. We will try and give as much notice as possible as school functions take priority.
